23 The parties have participated in a Discovery Conference in which all required matters were
24 discussed. Initial Disclosures will be made prior to the Status Conference. The parties discussed,
25 if convenient to the Court, a March 2010 date, with discovery deadlines to be set in relation to that
26 trial date. Counsel for the Marshalls has recently received correspondence from an insurance
27 company advising that it is reviewing coverage for these claims. Counsel for the Marshalls

1 provided that information to counsel for the debtors. Subject to there being some further
2 information on that issue, counsel will be prepared to discuss any and all aspects of the further
3 conduct of this case at the Status Conference.

4 Counsel for the Marshalls provided a draft Status Conference Statement to counsel for
5 debtors so that the parties could submit it jointly. Unfortunately, no reply was received and due
6 to the imminency of the Status Conference, the Marshalls are filing this statement separately.
